

SAVE OUR LIBRARY SERVICES

Petition to Suffolk County Council

Suffolk County Council is proposing to cut a further £230,000 off the already pared-to-the-bone budget for Library services. **THEY ARE VOTING ON FEBRUARY 9th 2017**

Our wonderful libraries have made amazing efforts to maintain services in the face of massive reductions to the library budget (30% reduction since 2011). The budget has been cut to the bone.

We, the undersigned, oppose any further reductions to the funding of Suffolk's invaluable and irreplaceable library services, and urge Suffolk County Council not to make this cut
